Amelioration of condition of Depressed Classes.

Q.—**501. Sri H. K. SIDDAIYA** (Belur—Scheduled Castes).—

Will the Government be pleased to state :—

Their policy to ameliorate the condition of the Depressed Classes in the State so as to bring them up to the level of other people economically, socially, and educationally within the period of ten years from the date of the commencement of the Constitution ?

A.—**Sri K. HANUMANTHAIYA** (Chief Minister).—

Even before the coming into effect of the Constitution of India, the Government of Mysore sanctioned a scheme for the amelioration of the condition of Depressed Class people in the State. Funds are being provided year by year in the State Budget to implement this scheme. Depressed Class Amelioration grants are at present being spent only for the acquisition of sites for the formation of Depressed Class colonies and extensions and for construction of houses. A set of rules and procedure regarding the grant of subventions and house building materials of the Depressed Classes for the construction of houses has been framed. To promote the educational advancement of the Depressed Classes, several concessions have been extended to them by the Education Department by the grant of scholarships and running free Government Boarding Homes and exemption from payment of examination fees.

To promote the economic advancement of Depressed Classes, lands are being granted to landless Depressed Class applicants at concessional rates as provided under the Mysore Land Revenue Rules by the Revenue Department.
